

## ABOUT SWE

- The Society of Women Engineers (SWE), founded in 1950, is a not-for-profit educational and service organization.
- SWE is the driving force that establishes engineering as a highly desirable career aspiration for women.
- SWE empowers women to succeed and advance in those aspirations and be recognized for their life-changing contributions and achievements as engineers and leaders. For more information about the Society, visit [www.swe.org](http://www.swe.org).

## NSBE/SHPE/ AISES PARTNERSHIP

Learn more about our joint membership online at [www.swe.org](http://www.swe.org) with:

- NSBE (National Society of Black Engineers)
- SHPE (Society of Hispanic Professional Engineers)
- AISES (American Indian Science & Engineering Society)

## ABOUT SWE-DETROIT

- Founded in 1952, SWE-Detroit is one of the oldest sections of the Society of Women Engineers.
- With over 360 members, SWE Detroit is one of the largest SWE sections. The Detroit area includes metropolitan Detroit and the surrounding communities as far north as Saginaw, west as Lansing and Jackson, and south as Toledo, Ohio.
